Welcome to Australian Academy

We aim to skill the future workforce through high quality, personalised education and training. We are

committed to ensure our students get the highest level of practical training to build the job-ready workforce. We are constantly adapting our courses and facilities to suit local community and international industry needs.

We understand your need

Once you make the decision to study at Australian Academy in beautiful Melbourne, we want you to be able to feel fully at home. We understand how important it is to have a nurturing and non-judgemental setting to be able to really, truly feel educated and empowered to learn. We also understand that life can be stressful, busy and demanding, so always have our resident counsellor available for our students when they want support. There are many social events throughout the year that bring our student community together, so you will feel accepted and part of something special.

Our Values

At Australian Academy we are fully committed to excellence in education. We continually update our standards as a Registered Training Organisation as well as being a CRICOS Provider. We have a strong ambition to imbuing educational values in every single class, and every experience within our campus community for our students.

A place of acceptance, fairness and diversity, we are celebrants of difference and we aim to provide a continuity of support for those who learn with us.

Reasons to choose us

- Smaller class size
- A clear career pathway
- World-class facilities and location
- Provide education services to meet the skills needs of individuals and the workforce
- Consult with industry and the community to ensure that our services remain relevant
- Help students progress on to other universities or training providers
