Welcome to Australian Academy

We aim to skill the future workforce through high quality, personalised education and training. We are committed to ensure our students get the highest level of practical training to build the job-ready workforce. We are constantly adapting our courses and facilities to suit local community and international industry needs.

We understand your need

Once you make the decision to study at Australian Academy in beautiful Melbourne, we want you to be able to feel fully at home. We understand how important it is to have a nurturing and non-judgmental setting to be able to really, truly feel educated and empowered to learn. We also understand that life can be stressful, busy and demanding, so always have our resident counsellor available for our students when they want support. There are many social events throughout the year that bring our student community together, so you will feel accepted and part of something special.

Our Values

At Australian Academy we are fully committed to excellence in education. We continually update our standards as a Registered Training Organisation as well as being a CRICOS Provider. We have a strong ambition to imbuing educational values in every single class, and every experience within our campus community for our students. A place of acceptance, fairness and diversity, we are celebrants of difference, and we aim to provide a continuity of support for those who learn with us.

Why choose Australian Academy

Great Location & facilities

Located in the heart of the city, Australian Academy is moments away from some of Melbourne's greatest attractions.

OF BUSINESS & TECHNOLOGY, MELBOURNE AUSTRALIA

RTO ID: 45457 | CRICOS: 03734D

Graduate Diploma of Management (Learning)

This qualification reflects the roles of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas. They also initiate, design and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others.

This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability. The job roles that relate to this qualification may also include RTO Manager and RTO Director.

Academic and age requirements

Prospective AABT international students are required to demonstrate their capacity to complete the course successfully and will need satisfactory completion of the equivalent of Australian Year 11 or Certificate III or higher qualification. The minimum age for entry to this program is 18 years above at the date of your enrolment.

Career opportunities

Graduates may work in the following:

- Learning and development consultant
- RTO Manager
- Organisational learning and leadership manager
- RTO Director
- workforce capability development leader
- workforce planner
- educational professional
- manager providing research or information related to career development

Australian Academy does not do any misleading claim or job guarantee or advertise any employment outcome with its courses.

Pathways

After successfully achieving BSB80120 Graduate Diploma of Management (Learning) candidates may undertake master's degree at University. Participants who exit this course at any time prior to completion will receive a statement of Attainment for the units of competency they have successfully achieved.

Assessment

This program is delivered under competency-based training which means instead of grading or marks, students are required to demonstrate all the criteria for each unit of competency and student a remarked "Competent" or "Not yet competent". Typical assessment methods will include written questions, case studies, role plays and skills demonstration.
