The cost of materials for the course

Agent's commission - refunds that include agent the commission is repaid to the student by the agent

Australian Academy of Business and Technology will make the refund available to either the student or the student's representative as identified in the Student Enrolment Form as per the ESOS Act Regulation 3.19.

If the student enrolls in more than one course, each course is considered as an independent course. Therefore, the refund policy will apply to each course within the courses applied for.

If the student, who has commenced the course and failed to complete the current course or failed some unit(s), the student will be required to repeat the same course or failed unit(s) and pay the fee applicable

Any pre-paid fees for the subsequent non-commenced higher-level course will not be transferrable to pay for the repeat of failed course or unit(s)

If the student decides not to progress and commence the next higher-level packaged course due to failing their current units or course, and then requests to cancel or withdraw from the courses, refund terms and conditions stated in point one will apply.

Course and other fees are not transferable to another student or institution.

Personal insurance and student expenses are not included in the fees quoted and are the responsibility of the student.

All applications for refund must be made by the student in writing using the Refund Request Form and submitted to the receptionist.

If a student transfer to another provider is approved, he or she is subject to the normal refund policy conditions

Cancellation and Refund Conditions – Provider Default

If Australian Academy of Business and Technology defaults, that is, if the course does not start on the agreed starting date or the course ceases to be provided before it is completed, Australian Academy of Business and Technology will make every effort to transfer the students' enrolment to another college or pay a refund of the unused portion of the course money received from the student.

Refunds in situations of Provider Default are covered by the provisions of The Education Services for Overseas Students Legislation Amendment (Tuition Protection Service and Other Measures) Act 2012 and apply if:

- Australian Academy of Business and Technology does not offer a course on the advertised start date or
- terminates a course after the course start date or before the course completion date or
- does not provide a course as advertised due to sanctions by any authority or
- does not provide a course in full

In such a case Australian Academy of Business and Technology will pay the student a refund which equals the amount of the total tuition fees paid for the remainder of the course

not completed at the time of default if an alternative placement with another provider cannot be found to the student's satisfaction. Such refunds will be made within 2 weeks following the default date with a statement explaining how the refund amount has been calculated.

Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or
- receive a refund of their unspent tuition fees

In the unlikely event Australian Academy of Business and Technology is unable to deliver a course where fees have been paid in advance and it does not meet its obligations to either offer the student an alternative course that is accepted or pay the student a refund of the unspent prepaid tuition fees, the TPS will assist the student in finding an alternative course or offer a refund if a suitable alternative is not found.

Process for Claiming a Refund

1. Students who request a refund must contact the receptionist and ask for a Refund Request Form
2. The student completes the Refund Request Form including any attached evidence where required
3. The receptionist passes the Refund Request Form to the Office Manager who will undertake initial assessment against the conditions stated in the Fees and Refund Policy
4. The Office Manager will present the Refund Request Form along with the initial assessment for the Chief Executive Officer approval or rejection (including signature)
5. The Office Manager will either personally or delegate the receptionist to contact the student and provide feedback as to whether the refund request was granted or rejected and the grounds the decision was made
6. In the event that the refund has been granted, the money will be transferred to the designated student bank account within 2 weeks
7. In the event that the refund request was not granted, the student may appeal directly to the Chief Executive Officer for reconsideration
8. There may be special circumstances that the student may want to present to the Chief Executive Officer for consideration. However, the conditions of the published Fees and Refund Policy will determine the outcome of any decision made.
9. The student may undertake the appeals process as per Appeals Handling Policy

Complaints Handling

Students are entitled to have a personal representative present at any stage during the complaints handling procedure. If the student's problem cannot be resolved by Australian Academy of Business and Technology published complaints handling process, students can seek external assistance for appeal. Please refer to policies and procedure section on our website www.aabt.edu.au.

External options available to students include

- ASQA (<http://www.asqa.gov.au/complaints/making-a-complaint.html>)
- Department of Fair Trading (<http://www.fairtrading.nsw.gov.au>)
- Administrative Appeals Tribunal (<http://www.aat.gov.au>)
- Overseas Students Ombudsman (<http://www.oso.gov.au/making-a-complaint>)

Consumer Rights

This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

Termination:

Australian Academy of Business and Technology reserves the right to terminate students for any serious breaches including but not limited to:

- academic misconduct
- non-academic misconduct
- failure to achieve satisfactory academic progress as per intervention strategy

Student Rights:

In the unlikely event Australian Academy of Business and Technology ceases to operate as a Registered Training Organisation, students will be assisted to transfer to another Registered Training Organisation that offers the same qualification.

In the event Australian Academy of Business and Technology is not able to provide an agreed services that results in arrangement being terminated early, students will be refunded the appropriate amount of fees paid upon agreement of training and assessment services provided. Australian Academy of Business and Technology will notify students of any changes to the agreed services as soon as possible or within 14 days.

LIVING IN AUSTRALIA

Multiculturalism

More than 100 ethnic groups are represented in Australia, making it one of the most culturally diverse countries in the world. Australia's dynamic multiculturalism can be attributed to its unique combination of indigenous cultures, early European settlement and immigration from all parts of the world.

Australians value the wealth of cultural diversity and social sophistication that international students bring to our campuses and communities. AABT takes great care in looking after international students and helping them to adjust to the Australian way of life. International students also gain great benefits from their education in Australia and make lifelong friendships.

Language

Although English is the official language, more than 4 million Australians speak a language other than English; more than 800,000 speak an Asian language, the most common being Mandarin, followed by Cantonese and Vietnamese, and another 800,000 speak a European Union language. English, as it is spoken in Australia, is easily understood by nearly all people from other English-speaking nations. While there are some minor differences in accent between the cities and country areas, the differences are much less than those found in America, Britain and Canada. As you improve your English, you will learn some of Australia's colorful and often humorous slang, and have fun explaining the meanings to friends and relatives.

Religion

Australia is predominantly a Christian country however; all religions are represented. Australians respect the freedom of people to practice their choice of religion. Churches, mosques, temples and synagogues are located in most major cities.

Healthcare

Australia has a very good healthcare system. All Australians pay a Medicare levy (additional tax) to fund the public health system to ensure that everyone has access to public-system doctors, hospitals and other healthcare services. People who pay extra into private health insurance funds receive extra privileges when using private healthcare services. You will find the usual healthcare services available in Australian suburbs including GPs (doctors), dentists, osteopaths, chiropractors, psychologists, counsellors and many complementary healthcare practitioners too (Traditional Chinese Medicine, naturopathy, acupuncture, kinesiology etc.). International students studying in Australia are required to have Overseas Student Health Cover (OSHC) for the duration of their student visa (See, Student Visa Obligations, in this section).

Food

Australia has a fantastic variety of food. Its top-quality meat, fish, fruits and vegetables are exported to markets worldwide. There is a large range of fruit and vegetables available at Australian produce markets. Students should have no difficulty finding the foods that they are used to at home. Students can sample almost every type of cuisine in Australia's many restaurants and cafés. Ethnic restaurants offer cuisines from all around the world. Good food at reasonable prices can be found at bistros, cafés and Aussie pubs. For those who like

takeaway, most of the major global fast food chains are well represented. The adventurous might want to sample Australia's bush tucker and national specialties like Kangaroo (available in supermarkets) and Crocodile (available in some restaurants)

Sports and Recreation

Australians are very keen on sport and outdoor activities and have gained a worldwide reputation as tough competitors in individual and team sporting events. Australia has more than 120 national sporting organizations and thousands of state and regional sporting bodies. Australians are also enthusiastic about bushwalking, fishing, boating and water sports.

Electricity

The electrical current in Australia is 240/250 volts AC, 50 cycles. The Australian three-pin plug is absolutely safe. Adaptors are usually required for most foreign appliances. A transformer may be required if students bring an appliance from overseas that operates on a different voltage

Transport

Australia has an extensive public transport system that includes trains, buses, tramways, ferries, two major national airlines and a number of regional airlines. See Living in Melbourne below for more details.

Driving: Tourist students may drive in Australia on a valid Overseas Driver's License, but if the document is not in English, the visitor must carry a translation with the permit. An International Driver's License alone is not sufficient. Students need to get Victorian driving License after certain period of stay in Australia. Please visit vicroads website for more details.

Taxis: Metered taxicabs operate in all major cities and towns. Students can find taxi ranks at transport terminals, main hotels or shopping centers or can hail taxis in the street. A light and sign on the roof indicates if a taxi is vacant. There is a minimum charge on hiring and then a charge per kilometer travelled. You do not need to tip taxi drivers. Uber service is also available at airport and there is designated pick up place available outside airport for Uber customers. You need to download uber app on your mobile phone to order uber pick up.

Telephone

Australia has a modern telecommunications system with mobile and internet access generally available at low cost. Public telephones are run by Australia's largest telecommunications company, Telstra, and are available at all post offices, shopping centers and are often situated on street corners. Credit phones take most major credit cards such as Visa and Mastercard and can be found at international and domestic airports, central city locations and hotels. Mobile phones are very popular and can be purchased from a number of retailers including Vodafone, Optus, and Virgin mobile.

Budgeting

Students should work out a budget that covers accommodation, food, transport, clothing and entertainment. Childcare, if applicable, should also be taken into account. For more information on Living in Australia costs, visit www.studyinaustralia.gov.au

Travel

During term breaks, students may like to venture beyond Melbourne to experience more of Australia's spectacular natural environment and great physical beauty, such as great ocean road, marine parks and national parks (The Great Barrier Reef, Kakadu, Uluru), the Queensland rainforests and the pristine countryside and mountains of Tasmania. Student and backpacker travel agents in metropolitan cities offer cheap flights and package deals

Money and Banks

Australian currency is the only legal tender in Australia. When students first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Travelers' cheques are easier to use if already in Australian dollars, however, banks will cash travelers' cheques in virtually any currency. Major hotels and some shops, depending on individual store policy, will also cash travelers' cheques.

It is a good idea to set up an Australian bank account. You will need to provide visa details and evidence of residency. Banking services in Australia are extremely competitive. All major banks have branches in cities and regional centers. Major banks include ANZ, Westpac, National Bank, Commonwealth Bank. Community banks, like Bendigo Bank, are a popular alternative.

Most shopping centers have Automatic Teller Machines (ATM) facilities. These machines can be used for deposits and, in many instances, withdrawals 24-hours-a-day. Many department stores, supermarkets and specialist shops have electronic transfer terminals (EFTPOS) where cash withdrawals can also be made in addition to purchasing goods.

More information on banking is available at www.studyinaustralia.gov.au

Normal bank trading hours Monday to Thursday - 9.30 am – 4.00 pm Friday - 9.30 am – 5.00 pm. Some banks are open Saturday mornings.

Credit Cards

Credit cards are widely accepted around Australia. The most commonly accepted credit cards are Visa, MasterCard, AMEX and Diners Club.

Currency

Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The bank notes in use are \$5, \$10, \$20, \$50 and \$100. Coins used are the silver-colored 5 cent, 10 cent, 20 cent and 50 cent coins and the gold-colored \$1 and \$2 coins.

Tipping

Tipping is not the general custom in Australia and service charges are not added to accounts by hotels and restaurants. In good quality restaurants however, it is usual to tip food and

drink waiters up to 10% of the bill for good service. Porters have set charges at railway terminals, but not at hotels. However, tipping is a matter of individual choice.

Accommodation

The following types of accommodation are available for international students.

Home Stay

This option is an opportunity for students to live in a private home, with a local family, couple or single person and learn about Australian life. You may need to compromise with living arrangements as you will need to fit in with the household's routines and expectations. You will need to think about the things that are important to you. You may need to ask about how adaptable meal times are in relation to your studies and other commitments. You may also want to consider how the other people will feel about your friends visiting, your music and the hours that you keep. There are different types of home stay arrangements:

Cost: A\$110.00 - A\$235 to \$325 per week

Full Board

Usually includes a furnished room (bed, desk, lamp, wardrobe), three meals per day and bills (electricity, gas and water, but not telephone and internet). Some homestay providers may even do your laundry.

Cost: A\$300 - A\$450 per week

Half Board

Usually includes a furnished room (bed, desk, lamp, wardrobe) and bills (electricity, gas and water, but not telephone and internet). You can use the cooking and laundry facilities in the house.

Cost: A\$225 - A\$350 per week

Board in Exchange

Usually means free, or low cost, accommodation (including bills), in return for household duties such as cleaning, or childcare.

Cost: Free or low cost (below A\$100)

Lease/Rent

Renting an apartment or house is done through a real estate agent. You must sign a contract called a "lease" to rent the house, either month-by-month, or sometimes a 6-month, 12-month or 2-year lease is required. The lease entitles you to private use of the property for the duration of the lease. The advantage of this is privacy and independence.

You must pay a bond (the equivalent of one month's rent, to cover any damage you may do to the premises). You are responsible for paying all bills (except water and council rates), maintenance of the property and providing all your own furniture and household items.

If you choose a house or apartment in a popular area, there will be much competition. The real estate agent selects the tenants who they believe are the most stable and able to meet the requirements of the lease.

Cost (shared accommodation): A\$100.00 - A\$400.00 (unfurnished)

If your children are travelling with you as dependants on your student visa, you will have to pay fees for them to go to any Australian school (regardless of whether the school is state or private). School fees vary according to the age of your children and the state or territory that you live in but expect fees of around A\$7800 to A\$30000 per year, per child.

Schooling for dependants

In Australia children must attend school from five years of age until the completion of Year 10. Young people that have completed Year 10 must participate in full-time education, training or employment, (at least 25 hours per week) or a combination of these activities until they reach 17 years of age.

If you have school age dependents you will need to make arrangements for your children to enter school in Australia. Students from countries around the world enrol in Victorian government, independent and private schools every year. Victorian government schools are recognised for their excellent quality education programs.

All costs are per year in Australian dollars. To convert to your own currency, visit <http://www.xe.com/> (opens in a new window).

The Australian Government provides information and guidance on managing your finances. You can read more at www.moneysmart.gov.au (opens in a new window)

If you experience financial trouble while in Australia, talk institution's student support staff for assistance.

LIVING IN MELBOURNE

Melbourne

Melbourne is the capital city of the State of Victoria. It is situated on the banks of Yarra River and around the beautiful beaches of Port Phillip Bay. It is an attractive, spacious city with an abundance of parks, gardens, sporting venues and scenic places. Melbourne is also a sprawling city with suburbs extending up to 60km from the city center.

Melbourne is a truly multicultural city. The population is approximately 5 million. There are now people from over 140 nations living harmoniously together. This broad ethnic mix has brought many benefits to the city including a wide range of cuisines and more than 2,300 elegant and cosmopolitan restaurants, bistros and cafés.

Melbourne is considered to be the fashion (and shopping) capital of Australia and offers some of Australia's biggest shopping complexes as well as sophisticated, exclusive boutiques and a host of lively and popular markets.

Melbourne has an excellent public transport system with trams, trains and buses providing an extensive network throughout the city and suburbs. For more information please visit www.studymelbourne.vic.gov.au.

Climate

Melbourne enjoys a temperate climate with four distinct seasons in the year - spring, summer, winter and autumn. Below is a guide to average daily temperatures: Spring - September to November - 12-27°C Summer - December to February - 28-36°C Autumn - March to May - 12 - 20°C Winter - June to August - 10 - 15°C.

Melbourne does not have a specific wet season; it can rain at any time of the year.

Festival City

Known as Australia's festival city, Melbourne provides lively festival entertainment every month. Major festivals include: Melbourne International Comedy Festival, Chinese New Year Parade, Moomba Parade, Melbourne International Arts Festival, Melbourne Food and Wine Festival, Melbourne International Film Festival, Spring Fashion Week and the Melbourne Fringe Festival.

Melbourne's primary community venue, Federation Square, hosts a great many multicultural festivals throughout the year such as the Indian Film Festival, Diwali Indian Festival of Light, Buddha's Day, Nepal Festival, Thai Culture and Food Festival and Fiesta Malaysia.

Melbourne's music festivals are many ranging from indie music events that attract popular international acts to jazz festivals. Some of the International sporting events include Spring Racing Carnival (Melbourne Cup), Australian Open (Grand Slam tennis), Grand Prix Motor Racing, World Series and Test cricket and Bells Beach Surf Classic

Entertainment

Being located close to Melbourne's Central Business District (CBD), our campus is close to a great array of entertainment options from ten-pin bowling, cinemas and karaoke, to sophisticated art galleries, theatre and dance events, as well the usual bars and clubs. Melbourne is Australia's festival capital, with free events held in city and community venues

each month. The city's beautiful green and spacious surrounds are very attractive for social, sporting and other outdoor activities. There are plenty of opportunities for international students to have an enjoyable time with friends.

Public Transport Ticket

Tickets for Melbourne's Myki public transport ticketing system, which covers trams, trains and buses, must be purchased prior to travel at train stations, some tram stops or retail outlets such as 7Eleven. Tickets are not available on public transport. For more information, visit: www.myki.com.au. Fare evasion attracts steep fines. There is free tram zone in the CBD area (effective 1 Jan 2015). If your tram journey starts or finishes outside the Free Tram Zone, you need to touch on to ensure you have a valid ticket. Visit www.myki.com.au and Public Transport Victoria at <http://ptv.vic.gov.au/> for more details. Cost: approximately \$25- \$38 a week.

COVID 19

As we all are aware, COVID-19 is causing disruptions to educational institutions in Australia and around the world. AABT is no exception. We want to assure that we are paying close attention to the situation. Our staff members are meeting regularly to monitor events and coordinate support for students. We are keeping the situation daily and we are adjusting our planning and actions as necessary. As COVID-19 cases expand globally and AABT is taking the necessary steps to protect the health and safety of our student, staff and community.

Student Service Support - COVID 19

AABT is monitoring the COVID-19 situation daily and is here to support students with their needs.

Recent Changes and Developments:

We have made the following changes to our on-campus services to support the health and safety of our students and staff.

1. The campus is no longer offering face-to-face classes, so students are not required to come to campus.
2. Online learning is currently the delivery mode.
3. Student Services officers will continue to operate on campus with communication limited to emails and phone calls only.
4. Trainers will continue to teach classes completely through the online learning platform only and there will be no face to face meetings.
5. If you would like to contact your trainer, they will be responding through email format and during your online sessions only.
6. Training support will also operate through the online learning platform only.
7. If student are feeling anxious or distressed about the current situation, you can contact us by emailing at admission@aabt.edu.au

We will continue to update students and staffs on developments, as well as AABT's response to the rapidly evolving situation, as these become available. AABT will communicate all update through email, phone and the AABT website (COVID-19 Information).

AABT Online Only Delivery Commencement

In response to growing global concerns about the COVID-19 pandemic, after careful consideration, AABT has decided to move to online-only training and assessment (temporarily) to continue to keep our students engaged with their studies.

While there have been no confirmed cases of COVID-19 connected to AABT, the decision to move to online only learning where possible is a precautionary measure to limit contact during this phase of the pandemic and minimise the risk to our staff and student community.

The Planned Training Sessions for online-only delivery of learning and teaching for lectures and tutorials have been scheduled from 09/09/2020 to allow our students and trainers to prepare for a transition to complete online- only training and/or assessment. These decisions have also been taken to minimise the impact of current situation and to help students stay on track with their studies.

AABT will remain open for students for enquiry, unless the government advises otherwise.

Online-only Delivery commencement September 2020 onwards: Students will not be required to come for face-to-face classes, until further notice.

Sessions for theory component will continue via online only classes.

Alternative plans for units that have face-to-face requirements e.g. practical's, workshop etc. and that are difficult to replicate in the online environment are being reviewed.

Attendance: Attendance will be monitored based on your online presence on the prescribed platform Zoom and Microsoft teams. Students are expected to attend the online-only delivery sessions just the same way, as the normal face-to-face classes. All our students will need to take part in their respective online classes to avoid reassessment or repeat unit fees.

Time Tables: Till further notice, all on-campus lectures and classes will be recorded and delivered online from and online lectures and classes will occur at the same time as timetabled.

Student may access the information regarding their timetables by requesting student support. For any changes to student timetables, Student will be informed through their email.

Trainers and students will be given prior notice to get accustomed and comfortable with the online-only delivery of learning and teaching concept, so it is mandatory for them to participate in these sessions to continue to stay engaged with your studies.

FAQs: The frequently asked questions (FAQs) will provide further information for staff and students.

COVID-19 Information

As we are aware, COVID-19 is causing disruptions to educational institutions in Australia and around the world. AABT is no exception.

We want to assure all that we are paying close attention to the situation. Our staff members are meeting regularly to monitor events and coordinate support for students.

We are keeping the situation under daily review and we are adjusting our planning and actions as necessary. As COVID-19 cases expand globally and AABT is taking the necessary steps to protect the health and safety of our student and staff.

Looking ahead, AABT will follow advice from the regulatory bodies for our industry, such as ASQA and the Department of Education, for regular updates, please follow this link: <https://www.dese.gov.au/news/coronavirus-covid-19?cv>. We are also closely monitoring advice given by medical authorities on how we should conduct our operations to manage the impact of the virus. This includes planning for a range of scenarios in which our priority is the health and wellbeing of our students and staff. Depending on how the situation develops, we will adjust our course delivery and schedules so that students can continue their learning.

For now, it is important to note that classes, assessments and course activity are continuing as normal. We will update you immediately if this changes.

Students are required attend classes so that they can achieve the best outcomes, particularly for compulsory attendance, which is still a requirement.

Please be advised:

All students who are in Australia are required to attend classes as per their scheduled timetable:

If student are feeling sick and not able to attend classes, they are required to provide a medical certificate to admission@AABT.edu.au

If students are currently undergoing self-isolation, without written medical advice, please note that you will be marked as absent;

Re-assessment will be considered on a case by case basis.

We encourage all staffs and students to follow basic hygiene standards when at campus or in public, such as covering mouth while coughing/sneezing, washing hands regularly, avoiding handshakes, etc. <https://www.who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public>

In the event of the State or Federal Government shutting down colleges/schools, all classes will be held through our excellent online learning platform.

Please find below important information regarding online learning:

- Attendance will be marked based on students participation on virtual delivery;
- If students cannot attend classes online due to illnesses, you will be required to submit a medical certificate to admission@aabt.edu.au;
- All assessments must be submitted within due date. If any part of student's unit/assessment involves physical presence and/or demonstration, it will be rescheduled, and they will be notified accordingly;
- More information on our online learning part will be provided, please keep monitoring your email for additional updates;
- Students and staffs will be trained on how to attend classes through our online learning platform, so that if a situation arises, student will be able to attend training from home.
- For further queries, please do not hesitate to contact us or email at admission@aabt.edu.au.

Delivery Arrangement COVID 19

During COVID 19 Period - This course will be delivered virtually with access to Zoom, computer, printer and Learning management system.

Students are not regimented to strict classroom delivery schedules through-out this Pandemic.

Virtual delivery will also have access to a activities which reflect to simulated business environment through case studies and sample template, AABT will ensure that its activities fully replicates the resources, environment and any time and productivity pressures that exist in the actual workplace and its trainers and assessors must make sure that the simulated environment gives the learner the opportunity to meet the following critical criteria:

1. Quality – The work is of the standard required for entry into the industry.
2. Productivity – The work is performed within a timeframe appropriate for entry to the industry.
3. Safety – The work is performed in a manner that meets industry safety standards

All theory units are delivered online and virtual training through Zoom as per the timetable.

We combine Self-paced, Open Classrooms, Distance and Online Learning into each of our courses, so that students have the flexibility to choose the options that best suit their current situations.

All course material is provided to our students online via our Learning Management System (LMS). The LMS provides students with a more streamlined method of working through the Qualifications by allowing them to login and access all current course files from one central location at a time and place of their choosing.

The LMS has been designed to enable students to work through course units in sequential order, according to unit difficulty, concepts and prerequisites, as per their individual Training Plan. Students will always have access to the most up-to-date course content for all qualifications, as any updates will be distributed to all students immediately via the LMS.

AABT adhere to the online service standards

Online delivery includes the following:

- Student support resources e.g. LMS guides, handbooks, video guides
- Course resources, including but not limited to:
 - Manuals (soft copy with option to print)
 - Course handouts & guides
 - Webinars & short videos (pre-recorded & live)
 - Exercise files & practice tests
 - Unit presentations
 - Quizzes
