Welcome to Australian Academy

We aim to skill the future workforce through high quality, personalised education and training. We are committed to ensure our students get the highest level of practical training to build the job-ready workforce. We are constantly adapting our courses and facilities to suit local community and international industry needs.

We understand your need

Once you make the decision to study at Australian Academy in beautiful Melbourne, we want you to be able to feel fully at home. We understand how important it is to have a nurturing and non-judgemental setting to be able to really, truly feel educated and empowered to learn. We also understand that life can be stressful, busy and demanding, so always have our resident counsellor available for our students when they want support. There are many social events throughout the year that bring our student community together, so you will feel accepted and part of something special.

Our Values

At Australian Academy we are fully committed to excellence in education. We continually update our standards as a Registered Training Organisation as well as being a CRICOS Provider. We have a strong ambition to imbuing educational values in every single class, and every experience within our campus community for our students. A place of acceptance, fairness and diversity, we are celebrants of difference and we aim to provide a continuity of support for those who learn with us.

Why choose Australian Academy

Great Location & facilities

Located in the heart of the city, Australian Academy is moments away from some of Melbourne's greatest attractions.

Top Faculty

Our trainers are professional, friendly and bring real-world experience to the subjects they teach.

Friendly Staffs

Our support staff are caring and put you at the heart of everything we do. They are always on your side!

Job-Ready Skills

Our courses are latest and aligned with industry needs, to help you develop job-ready skills.

Easy Start Dates

We have new student intakes every few weeks. No need to wait.

Clear Career Pathways

We guide and help students progress on to other universities or training providers.

AUSTRALIAN ACADEMY

OF BUSINESS & TECHNOLOGY, MELBOURNE AUSTRALIA

RTO ID: 45457 | CRICOS: 03734D

Certificate IV in Accounting and Bookkeeping

This qualification reflects the job roles of workers in the accounting industry, including BAS Agents and contract bookkeepers; and of those employees performing bookkeeping tasks for organizations in a range of industries.

Individuals in these roles apply theoretical and specialist knowledge and skills to work autonomously, and exercise judgement in completing routine and non-routine activities. Persons providing a BAS service must be registered by the Tax Practitioner's Board (TPB) and meet the eligibility requirements.

Academic and age requirements

Prospective AABT international students are required to demonstrate their capacity to complete the course successfully and will need satisfactory completion of the equivalent of Australian Year 11 or Certificate III or higher qualification. The minimum age for entry to this program is 18 years above at the date of your enrolment.

Career opportunities

Graduates may work in the following:

- Working with computerised Accounting systems
- Completing BAS and other financial statements
- Producing non-complex Management reports including compiling budget information
- Supervising the operation of computer based financial systems
- General administration

Australian Academy does not do any misleading claim or job guarantee or advertise any employment outcome with its courses.

Pathways

After successfully achieving FNS40217 Certificate IV in Accounting candidates may undertake FNS50217 Diploma of Accounting. Participants who exit this course at any time prior to completion will receive a statement of Attainment for the units of competency they have successfully achieved.

Assessment

This program is delivered under competency-based training which means instead of grading or marks, students are required to demonstrate all the criteria for each unit of competency and student a remarked "Competent" or "Not yet competent". Typical assessment methods will include written questions, case studies, role plays and skills demonstration.

FNS40222
